Steps to unlock the doors for the level Luxor

Go to the door (with an arrow target) on the left from the level entrance Luxor

Throw 3 romans on the arrow target

The door above is accessible

WARNING : You must completed first the unlocked zone to unlock the remaining 2 doors !

Once the area is completed, turn on the yellow ruby

Do the same procedure for the right door at the bottom (near a shop and the boss'door)

PS : It does not matter the opening order
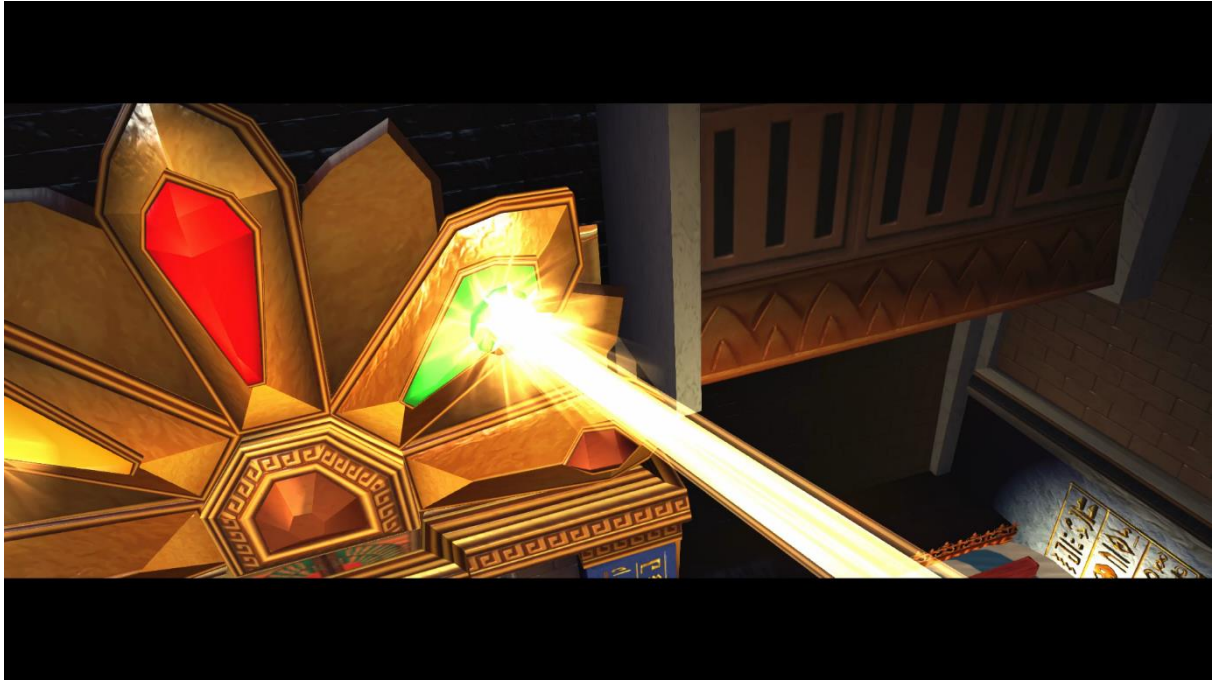

Throw 3 romans

The door opens, completed the zoned

Put on the green ruby

Go to the door on the left near the level entrance Luxor

Throw 3 romans on the target arrow then complet the zoned when the door opens

Put on the last ruby (red one)
